You are invited to be part of the LA-ACC 2018 Annual Meeting!

It gives me great pleasure to invite you to the LA-ACC Annual Meeting that will be held October 26-27, Loews Hotel in New Orleans, LA. We hope we can count on your support. The success of past chapter meetings is due to the excellent educational partnership we have had from our supporters with adherence to the ACCME Standards of Commercial Support.

The target audience is cardiologists, CV Administrators, CV team members (pharmacists, APP, and Nurses), and sonographers. The attendance for the meeting averages 75-100 participants. The Louisiana Chapter of the American College of Cardiology has 450 members, and is the state "arm" of the American College of Cardiology (ACC), a 52,000-member national nonprofit professional medical society.

Exhibiting companies will receive one 6' skirted table and two chairs in the pre-function space of the hotel. Registration also includes one continental breakfast, daily refreshment breaks, and a Happy Hour that will take place during the Poster Session on Friday. These session breaks offer an opportunity for attendees to network and visit with exhibiting companies.

The fee to exhibit is \$2,000. There are also opportunities for your company to provide additional Marketing Support and Educational Grants. Recognition of participation will be communicated to attendees in the program book and via signage throughout the meeting as well as the Chapter website.

In supporting this meeting, we are confident you will see the benefits to meeting and reaching out to the CV Community in Louisiana. Additionally, fellows in training, residents, and medical school students will be in attendance. We hope you will consider participating in this program that I am especially excited about.

We look forward to seeing you in New Orleans!

Sangeeta Shah, MD, FACC
LA-ACC President
