

THE LOUISIANA CHAPTER OF *the American College of Cardiology*

INVITES YOU TO BE A PART OF THE

2019 LA-ACC ANNUAL MEETING

Dear Potential Sponsor,

It gives me great pleasure to invite you to the LA-ACC Annual Meeting that will be held September 20-22, at The Westin in New Orleans, LA. We hope we can count on your support. The success of past chapter meetings is due to the excellent educational partnership we have had from our supporters with adherence to the ACCME Standards of Commercial Support.

The target audience is cardiologists, advance practice providers, sonographers, technicians, administrators and trainees in undergraduate medical education and graduate medical education. The attendance for the meeting averages 100-150 participants. The Louisiana Chapter of the American College of Cardiology has 600 members, and is the state "arm" of the American College of Cardiology (ACC), a 52,000- member national nonprofit professional medical society.

In supporting this meeting, I am confident you will see the benefits to meeting and reaching out to cardiologists here in Louisiana. We hope you will consider participating in this program that I am especially excited about.

We look forward to seeing you in New Orleans!

Sangeeta Shah, MD, FACC
LA-ACC President
